EDUCATION

- 09/2008 – 12/2011 Postdoctoral Fellowship, Psychiatry
University of British Columbia, Department of Psychiatry
Advisor: Dr. Steven Taylor
- 09/2004 – 09/2008 Ph.D., Psychology
University of British Columbia, Department of Psychology
Advisor: Dr. Peter Graf
- 09/2002 – 08/2004 M.A., Psychology
University of British Columbia, Department of Psychology
Advisor: Dr. Peter Graf
- 09/1996 – 05/2001 B.A., Psychology
University of British Columbia

EMPLOYMENT

- 08/2018 – Present Assistant Professor, Health and Cognition Laboratory, Department of Psychology, Washington State University
Courses: Abnormal Psychology; Experimental Design, T-Tests, and Analysis of Variance (graduate); Non-Experimental Design, Correlation, and Regression (graduate)
- 08/2014 – 07/2018 Clinical Assistant Professor, Health and Cognition Laboratory, Department of Psychology, Washington State University
Courses: Abnormal Psychology; Cognition and Memory; Developmental Psychology; Experimental Methods in Psychology; Introductory Statistics; Non-Experimental Design, Correlation, and Regression (graduate); Self-Control (online),
- 08/2010 – 05/2014 Assistant Professor (Limited-Term), Department of Psychology, Concordia University
Courses: Advanced Statistics; Fundamentals of Psychopathology; Research Methods
- 05/2013 – 06/2013 Sessional Lecturer, Department of Psychology, University of British Columbia
Courses: Behavioural Disorders; Research Methods
- 09/2008 – 12/2011 Postdoctoral Fellow, Department of Psychiatry, University of British Columbia
- 09/2008 – 08/2010 Curriculum Development Specialist, Department of Psychology, University of British Columbia
Courses: Introductory Statistics; Research Methods
- 01/2007 – 07/2010 Sessional Lecturer, Department of Psychology, University of British Columbia
Courses: Introductory Statistics; Research Methods
- 01/2003 – 12/2006 Lab Instructor, Department of Psychology, University of British Columbia
Courses: Introductory Statistics (Graduate); Experimental Psychology
- 09/2002 – 12/2006 Teaching Assistant, Department of Psychology, University of British Columbia
- 09/2005 – 12/2006 Research Assistant, Dr. Hakstian's Industrial Organization Lab, University of British Columbia
- 09/2002 – 08/2003 Research Assistant, Dr. Graf's Memory and Cognition Lab, University of British Columbia
- 08/2001 – 08/2002 Research Assistant, Dr. Woodward, Department of Research and Medicine, Riverview Psychiatric Hospital
- 05/2000 – 05/2002 Research Assistant, Dr. Yuille's Forensic Psychology Lab, University of British Columbia, Mountain Medium Security Prison, Kent Maximum Security Federal Penitentiary

CURRICULUM VITAE

GRANTS, FELLOWSHIPS, AND AWARDS

Grants

12/2019 – 06/2021	WSU Faculty Pilot Grant Support Program for Research on Alcohol and Drug Abuse – PI <i>Acute and Chronic Effects of Cannabis on Cognition in Adult Attention-Deficit/Hyperactivity Disorder</i> – \$4,000
11/2019 – 07/2021	WSU Dedicated Marijuana Account – PI <i>Acute and Chronic Effects of Cannabis on Cognition in Adult Attention-Deficit/Hyperactivity Disorder</i> – \$25,000
07/2019 – 12/2020	WSU Faculty Pilot Grant Support Program for Research on Alcohol and Drug Abuse – Co-I <i>Chronic Cannabis-Induced Alterations in Stress Reactivity</i> – \$30,000
07/2018 – 01/2021	WSU Faculty Pilot Grant Support Program for Research on Alcohol and Drug Abuse – PI <i>Acute effects of high potency cannabis on everyday life cognition</i> – \$25,802
05/2018 – 05/2019	WSU Vancouver Research Mini-Grant – Co-PI <i>Business idea creativity and cannabis use</i> – \$5,000
05/2018 – 08/2018	WSU Affordable Learning Grant – PI <i>Adopting open educational resources for Psych 333 – Abnormal psychology</i> – \$4,500
05/2018 – 08/2018	WSU Affordable Learning Grant – Co-I <i>Adopting open educational resources for Psych 105 – Intro to psychology</i> – \$4,500
01/2015 – 06/2018	WSU Faculty Pilot Grant Support Program for Research on Alcohol and Drug Abuse – PI <i>Individual differences in the influence of cannabis on cognition</i> – \$30,000
05/2017 – 08/2017	WSU Affordable Learning Grant – Funded by Academic Outreach and Innovation – PI <i>Adopting open educational resources for Psych 312 – Research methods in psychology</i> – \$5,000
01/2016 – 06/2017	WSU Dedicated Marijuana Account – PI <i>Strain and sex differences in the perceived efficacy of medical marijuana</i> – \$14,274
01/2016 – 06/2017	WSU Dedicated Marijuana Account – Co-PI <i>The influence of chronic cannabis use on stress induced cognitive inflexibility</i> – \$12,635
03/2011 – 09/2012	Concordia University Team Seed Grant, Office of the Vice President Research & Graduate Studies – Co-PI <i>Did I remember to lock the door? The role of memory distrust in checking compulsions</i> – \$9,528

Fellowships

05/2017 – 12/2018	Open Education Research (OER) Fellowship, Center for Open Education, University of Minnesota
01/2009 – 12/2011	Postdoctoral Fellowship, Michael Smith Foundation for Health Research
09/2006 – 08/2008	Canadian Graduate Scholarship, Natural Sciences and Engineering Research Council of Canada
05/2006 – 04/2008	Senior Graduate Studentship, Michael Smith Foundation for Health Research
05/2004 – 04/2006	Junior Graduate Studentship, Michael Smith Foundation for Health Research
05/2003 – 04/2005	Post Graduate Scholarship A, Natural Sciences and Engineering Research Council of Canada
09/2002 – 08/2003	Graduate Entrance Scholarship, University of British Columbia
09/2002 – 08/2003	Elizabeth Young Lacey Scholarship in Psychology, University of British Columbia

Awards

04/2020	William F. Mullen Memorial Teaching Award, Washington State University
03/2019	Best Professor at WSU, Daily Evergreen's Student Choice Awards, Washington State University

CURRICULUM VITAE

04/2018	Exceptional Usage of Open Educational Resources, Associated Students of Washington State University
03/2018	Best Professor at WSU, Daily Evergreen's Student Choice Awards, Washington State University
03/2017	ADVANCE at WSU External Mentor Award, Washington State University
02/2010	Teaching and Learning Enhancement Fund (Department Award), University of British Columbia
10/2009	Brain Star Award, Canadian Institutes of Health Research
05/2009	Dissertation Award, Canadian Psychological Association
06/2008	Scientific Achievement Award, International Cannabinoid Research Society

Travel Awards

03/2020	Travel Assistance Award, ADVANCE at Washington State University
04/2019	College of Arts and Sciences International Travel Award, Washington State University
03/2019	Travel Assistance Award, ADVANCE at Washington State University
04/2016	Alcohol and Drug Abuse Research Program Travel Award, Washington State University
06/2007; 06/2008	International Cannabinoid Research Society Travel Award
02/2007	President's Travel Scholarship in Psychology, University of British Columbia
07/2004; 05/2006	Faculty of Graduate Studies Travel Award, University of British Columbia
03/2004; 10/2006	Department of Psychology Graduate Student Travel Award, University of British Columbia

SERVICE

Ad Hoc Reviewer

Acta Psychologica	Journal of Clinical Psychopharmacology
Addictive Behaviors	Journal of Obsessive-Compulsive and Related Disorders
Addictive Medicine	Mental Health, Religion, and Culture
American Journal of Drug and Alcohol Abuse	PeerJ
Applied Cognitive Psychology	PLOS ONE
Canadian Journal of Psychiatry	Psychiatry Research
Cannabis	Psychology of Addictive Behaviors
Drug and Alcohol Dependence	Psychoneuroendocrinology
European Journal of Neuroscience	Psychopharmacology
Journal of Addiction Medicine	Research Square
Journal of Anxiety Disorders	Research Quarterly for Exercise and Sport
Journal of Behavior Therapy & Experimental Psychiatry	Substance Use and Misuse
Journal of Cannabis Research	Yale Journal of Biology and Medicine
Journal of Clinical & Experimental Neuropsychology	

Guest Editor

Special OER edition of Frontiers in Education (Fall 2019 – Fall 2020)

Book Review

Worth Publishers (Spring 2015)

Chapter Review

Cognella Academic Publishing (Spring 2018)

Worth Publishers (Spring 2018)

Grant and Award Review

Canadian Institutes of Health Research, Phase I Cannabis Research in Priority Areas Team Grants, (Summer, 2019)

Course Materials Value and Effectiveness Committee Affordable Learning Grant Review (Spring 2019)

Association for Faculty Women Award Review (Spring 2018, Spring 2019)

CURRICULUM VITAE

Natural Sciences and Engineering Research Council of Canada Grant Review (Fall, 2016)
WSU ADVANCE, Award Review (Spring 2017, Spring 2018, Fall 2018, Spring 2019)
WSU Alcohol and Drug Abuse Research Program Grant Review (Fall 2016, Spring 2017, Fall 2018, Spring 2020)
WSU Dedicated Marijuana Account Grant Review (Fall 2017)
Mitacs Canada (Spring 2018)

Conference Organization

3rd Annual International Conference on Prospective Memory, Vancouver, BC
8th Annual Northwest Cognition and Memory Conference, Vancouver, BC

Departmental Service

Faculty Advisor for the Psi Chi Society, Washington State University (Fall 2015 – present)
Department of Psychology Space Committee, Washington State University (Spring 2018)
Mentor for New Graduate Student Instructors, Concordia University
Multi-Section Course Coordinator for Research Methods and Statistics, University of British Columbia
Department of Psychology Human Subject Pool Committee Reviewer, University of British Columbia
Cognitive Representative, Department of Psychology Graduate Student Council, University of British Columbia
Liaison to the Human Subject Pools Coordinator, Department of Psychology Graduate Student Council, University of British Columbia

University Service

President's Commission on the Status of Women (Fall 2020 – Spring 2022)
Graduate Mentor Academy (January 2020 – December 2022)
Membership and Outreach for the Association for Faculty Women (Summer 2019 – present)
Campus Leadership Team, Washington State University (Spring 2019 – present)
Course Materials Value and Effectiveness Committee, Washington State University (Fall 2018 – present)
Psychology Department Liaison for ADVANCE, Washington State University (Fall 2016 – present)
Open Educational Resources (OER) Visioning Group, Washington State University (Fall 2017 – present)
Course Materials Reasonable Costs Faculty Sub-Committee, Washington State University (Fall 2016, Spring 2016)
Washington State University's Cougar Day Academic Showcase and Academic Fair (Fall 2015, Fall 2016)
Judge for the Showcase for Undergraduate Research and Creative Activities (Spring 2015)

STUDENT SUPERVISION

Graduate

Doctoral Dissertation Chair

Emily LaFrance – Acute effects of high potency cannabis on everyday life cognition (defended)
Dakota Mauzey – An examination of the acute and long-term influences of cannabis on symptoms of obsessive-compulsive disorder (defended)

Doctoral Dissertation Co-Chair (Primary Mentor)

Alexander Spradlin – Examining the stress cannabis link across the stress spectrum (defended)

Doctoral Dissertation Committee Member

Brenna Boyd – Effectiveness of a multi-component brain health intervention.
Katelyn Brown – Development of a naturalistic planning measure: The overnight trip task.
Robert Fellows – Personality, health behaviors, and cognition among midlife and older adults (defended)
Callan Lujan – Inflammation and the relationship to post traumatic stress disorder treatment response
Amy Nusbaum – Rise up eyes up wise up: Exploring techniques to debias decision making and resist fake news (defended)
Debra O'Connell – The association between the triarchic model of psychopathy and executive functioning (defended)
Kayela Robertson – Naturalistic assessment using a simulated environment: Cognitive correlates and relationship to functional status in those with neurological conditions (defended)
Angela Henricks – Sex-differences in endocannabinoid regulation of alcohol withdrawal (defended)

Master's Thesis Co-Chair

Nicholas Glodosky – Chronic cannabis-induced alterations in stress reactivity (defended)
Emily LaFrance – Inspired by Mary Jane? Mechanisms underlying enhanced creativity in cannabis users (defended)

CURRICULUM VITAE

Dakota Mauzay – Devils, witches, and psychics: An examination of the relationships between religion, paranormal beliefs, and features of obsessive-compulsive disorder (defended)

Grace Shinn – Overexpression of Oprk1 gene expression and alcohol use disorder (defended)

Kyle Schofield – Resilience to discrimination in transgender health care (defended)

Master's Thesis Committee Member

Arig Aboulenein – The identification and manipulation of choice representations (defended)

Lydia Baxter-Potter – Early life exposure to stress and cannabis effects on stress coping, drug seeking, and prefrontal cortical endocannabinoid signaling in adolescence (defended)

Jenna Beaver – Effects of content and non-content memory on functional ability assessment of older adults (defended)

Rachel Braley – Time estimation across the adult lifespan (defended)

Katelyn Brown – The impact of initial planning on task execution performance for older adults: A naturalistic assessment paradigm (defended)

Trevor Livingston – Validation of the Cannabis Simulated Intoxication Digital Elicitation (CanSIDE) for use in a stress induction paradigm (defended)

Madeline Nagel – The face of a predator: Facial feature bias and psychopathic personality assessment in sex offender civil commitments (defended)

Amy Nusbaum – The effects of stress on cognitive flexibility (defended)

Nisha Raghunath – Precrastination and individual differences in working memory capacity (defended)

Christa Simon – The impact of cognitive reserve and subjective memory on compensatory strategy use in older adults (defended)

Preliminary Exam Chair

Emily LaFrance – Acute and chronic effects of cannabis on memory, decision-making, and ADHD (defended)

Dakota Mauzay – Examinations of the links between OCD, religion, and cannabis use (defended)

Preliminary Exam Committee Member

Brenna Boyd – Clinical portfolio

Katelyn Brown – Clinical portfolio (defended)

Debra O'Connell – Sadism and psychopathy (defended)

Alex Spradlin – Individual differences in cannabis use (defended)

Undergraduate

Honor's Thesis Supervisor

Mia Ryckman – Don't call me delusional: The effect of noun labels on stigmatizing attitudes and perceptions of people with psychological disorders (passed with distinction, 2017)

Valerie Sirois-Delisle – Diminished confidence in memory causes intrusive doubts and compulsions to check (defended, 2012)

Honor's Thesis Committee Member

Hannah Kimbel – Infant brain asymmetry and parent-child interactions (defended, Spring 2019)

Morgan Frank – The nation's forgotten: Factors that lead to the misdiagnosis and mistreatment of mental disorders by healthcare professionals in America's hospitals (defended, Spring 2016)

Training and supervision of over 60 additional undergraduate student research assistants and independent studies students

PROFESSIONAL ASSOCIATIONS

International Cannabinoid Research Society

Research Society on Marijuana

WSU, Collaboration on Cannabis Policy, Research, and Outreach

WSU, Translational Addiction Research Center

Invited Talks

1. **Cuttler, C.** (March 2020). Studying cannabis in the wild. Acute effects of high potency cannabis on memory. Cannabinoids in Clinical Practice. Banff, Alberta. (Conference canceled).
2. **Cuttler, C.**, LaFrance, E. M., *Stueber, A., *Glodosky, N. C., & *Mauzay, D. (June 2020). Overbaked: Assessing and predicting adverse reactions to cannabis. Symposium on Marijuana Research in Washington: People, Products, and Policies. Seattle, Washington. (Conference Canceled)
3. **Cuttler, C.** (January 2020). Navigating the weeds: Acute effects of cannabis on mental health and memory, Department of Psychology, University of British Columbia
4. **Cuttler, C.** (May 2019). Use of cannabis for physical and emotional pain. University of Chicago, Department of Psychiatry & Behavioral Neuroscience.
5. **Cuttler, C.** (April 2019). Marijuana and mental health. Psychology Clinic, Washington State University.
6. **Cuttler, C.** (April 2019). Devil's weed or God's gift? Students for Sensible Drug Policy, Washington State University.
7. **Cuttler, C.** (March 2019). Use of cannabis for physical and emotional pain. Global Connections, Washington State University.
8. **Cuttler, C.** (March 2019). Students' use and perceptions of OER vs. traditional textbooks. Washington State University, Faculty-Led OER Panel

CURRICULUM VITAE

9. **Cuttler, C.**, Sexton, M., & Mischley, L. (July 2018). Driving under the influence of cannabis. An examination of driving beliefs and practices of medical and recreational cannabis users across the united states. Research Society on Marijuana. Fort Collins, Colorado.
10. **Cuttler, C.** (May 2018). Short-term beneficial effects but long-term consequences of cannabis use on depression, anxiety, and stress. Symposium on Marijuana Research in Washington: A UW and WSU Joint Effort, University of Washington
11. **Cuttler, C.** (April 2018). Don't stress, ace your tests: Preparing and studying for exams. Washington State University, Psychology Club
12. **Cuttler, C.** (March 2018). Impacts of traditional texts and OER on students. Washington State University, OER Panel
13. **Cuttler, C.**, *Spradlin, A., *Nusbaum, A. T., Whitney, P., Hinson, J. M. & McLaughlin, R. J. (April 2017). Blunted stress reactivity in chronic cannabis users. Washington State University's Cannabis Research Workshop
14. **Cuttler, C.** (October 2016). Cannabis, cognition, and stress. Washington State University, Translational Addiction Research Center.
15. **Cuttler, C.** (November 2016). Keys to success: Preparing and studying for exams. Washington State University, Psi Chi Society.
16. **Cuttler, C.** (October 2015). Cannabis consumption, stress, and cognition. Washington State University, McEachern Residence.
17. **Cuttler, C.** (March 2014). Did I forget to lock the door? The link between prospective memory and checking compulsions. Washington State University, Department of Psychology.
18. **Cuttler, C.** (2012). Did I remember to lock the door? The link between prospective memory and checking compulsions. University of New Brunswick, Department of Psychology
19. **Cuttler, C.** (2012). Did I remember to lock the door? The link between prospective memory and checking compulsions. Texas State University, Department of Psychology.
20. **Cuttler, C.** (2012). Did I remember to lock the door? The link between prospective memory and checking compulsions. McGill University, Cognitive Psychology Brown Bag
21. **Cuttler, C.** (2008). Individual Differences in prospective memory. San Jose State University, Department of Psychology.
22. **Cuttler, C.**, & Graf, P. (September 2004). Prospective memory and personality. Consultation Meeting for the BC Aging Research Network, Vancouver, BC.
23. Graf, P., & **Cuttler, C.** (September 2003). Prospective memory in and out of context. Symposium presented at the XIII Conference of the European Society of Cognitive Psychology, Granada, Spain.

Invited Workshops

1. Finding consensus on cannabis data measures (November 2018). Canadian Institutes of Health Research in collaboration with Health Canada, Statistics Canada, Public Safety and the Public Health Agency of Canada

Guest Lectures

1. **Cuttler, C.** (2019). Use of cannabis for physical and emotional pain. Washington State University, Brown Bag Seminar.
2. **Cuttler, C.** (2017). A controlled examination of the influence of chronic cannabis use on cognition. Washington State University, Brown Bag Seminar.
3. **Cuttler, C.** (2016). Cannabis consumption, stress, and cognition. Washington State University, Brown Bag Seminar.
4. **Cuttler, C.** (2013). Hypothesis testing: A 'tail' of two hypotheses. University of Victoria, Department of Psychology.
5. **Cuttler, C.** (2013). Schizophrenia: Symptoms and misconceptions. University of Victoria, Department of Psychology.

CURRICULUM VITAE

6. **Cuttler, C.** (2012). A brief conceptual overview of structural equation modeling. University of New Brunswick, Department of Psychology.
7. **Cuttler, C.** (2004). Prospective memory. University of British Columbia, Memory Course.
8. **Cuttler, C.** (2003). Sensation and perception. University of British Columbia, Introductory Psychology Course.
